

The Herald and News

Attention, Readers.

Boys' Progress.

The Newberry Steam Laundry will give away a free ticket on the 14th February. There is opportunity for every one to have a chance at this lottery, that is if you ever have any laundry done. For particulars read the announcement on the first page of this paper.

Special Missionary Service.

A special service, under the auspices of the Woman's Home and Foreign Missionary Society of the Lutheran Church, was held Sunday night. A eloquent, thoughtful and practical address was delivered by the pastor and a special collection taken for missions. Mr. Leftwich of Columbia, was present, and added much to the interest of the occasion by his singing.

Another Opportunity.

Minnaugh gives the people of the county another opportunity to pick up the barabaras of their life. He is offering odds and ends this week at almost your own price, to make room for the largest stock of spring goods ever brought to Newberry. Call at Minnaugh's this and next week and see what he is doing.

Gone Into Bankruptcy.

Mr. C. J. Zobel, who for several years has been conducting a nice little grocery business in the village of Helena, through his attorney, Cole, L. Blaise, petitioned Judge W. H. Bravley in bankruptcy proceedings on Friday last, when adjudication was made February 1st. Mr. Zobel has closed up his business and turned his keys over to his attorney.

Blown to Atoms.

The old idea that the body sometimes needs a powerful, drastic, purgative pill has been exploded; for Dr. King's New Life Pills, which are perfectly harmless, gently stimulate liver and bowels to expel poisonous matter, cleanse the system and absolutely cure Constipation and Sick Headache. Only 22c. at all druggists.

A Thing of Beauty.

The window containing the pretty and tasty display of spring ties at the Ewart-Pifer Co.'s, is at present a thing of beauty, and 'twill be a joy forever if you will go there and take a peep and see that you can have your choice for 25 cents. It is the prettiest line of ties at this price ever displayed in Newberry. Read what they have to say in their ad.

It Dazzles the World.

No discovery in medicine has ever created one quarter of the excitement that has been caused by Dr. King's New Discovery for Consumption. Its several tests have been on hopeless victims of Consumption, Pneumonia, Hemorrhage, Pleurisy and Bronchitis, thousands of whom it has restored to perfect health. For Croup, Colds, Asthma, Croup, Hay Fever, Hoarseness and Whooping Cough it is the quickest, surest cure in the world. It is sold by all druggists who guarantee satisfaction or refund money. Large bottles 50c. and \$1.00. Trial bottles free.

February Calendar.

There was a usual February Sunday crowd in town yesterday. The weather was cold, but the sun shown out bright and gave everything a more pleasant and cheerful appearance.

The Master disposed of the following cases:

Sallie C. What vs. D. H. Wheeler - tract No. 1 in town of Prosperity, to Geo. Y. Hunter for \$75. Tract No. 2 - to town of Prosperity for \$55.

M. M. Harris, administrator, vs. Ella M. Suber - withdrawn to be sold in March.

Fannie C. Russell vs. D. A. Russell et al - lot fronting on Friend street to W. H. Hunt for J. H. West for \$300. Lot No. 2 - fronting on Main or Pratt street - withdrawn. Lot No. 3 - a part of the Dominick mill lot to F. J. Russell for \$500. Lot No. 4 - Newport News lot to T. C. Pool for \$25.

People Believe in It.

It has been cynically said that nothing can be sold by advertising nowadays. This is not so. Many ailments have been advertised but only one - Perry Davis' Painkiller - has stood the test of sixty years' use. To-day its popularity is greater than ever and is based not upon what any body says but upon what the remedy does. There is but one Painkiller, Perry Davis'.

The Union Editor Knows Mr. Floyd.

Mr. Lou Wash Floyd, of Newberry, has purchased the Union Telephone, while the transfer was not made public until last Monday, we were aware of the fact that negotiations were made and possibly a sale effected more than a month ago, but knowing that the parties interested were endeavoring to keep the matter from the public, we did not think it becoming to make it public under the circumstances. We will say for Mr. Floyd, that we know him, and can say that he is a business man and a hustler, he is very popular in his home town, Newberry, and is largely interested in the telephone business, owning several lines. The people of Union will like Wash Floyd. He will improve the present service, which will be appreciated, and will no doubt give entire satisfaction to the subscribers. - Union Times, 31st.

TEAGUE - HUNTER.

The Marriage of a Former Newberry Lady in Graniteville.

One of the happiest marriages of the season was that of Miss Lily Teague to Dr. T. J. Hunter of Trenton, which pleasing occurrence was celebrated at the paternal home of the bride's brother, Dr. C. A. Teague of our town, on Wednesday evening, January 22nd, 1902. Rev. Mr. Jones of Aiken being the officiating minister at the beautiful ceremony of the Presbyterian Church.

Miss Teague has resided here with her brother for the past ten years, and was one of our most cherished young ladies, her many lovely attractions drawing friends to her by the score. Dr. Hunter is one of the most prominent physicians and surgeons in Edgefield county and enjoys a most lucrative practice among his hosts of friends and acquaintances.

Shortly after the ceremony tea was served, and the new-made bride and groom took the 10:10 train on the Southern for Dr. and Mrs. Hunter's elegant home at Trenton.

The Graniteville Advertiser joins the many friends here in hearty congratulations, and wishes for the contracting parties long and useful lives of pleasure and prosperity.

May richest blessings ever rest
Beloved friends on thee;
May life in fairest colors dress'd
Thy happy portion be.
And every hope, so dearly prized,
Be more than fully realized -
May you be happy!

Sickles a Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes J. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just what we need for all ailments, that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by all druggists.

In China the year begins in February.

This community was very much shocked yesterday morning when it was announced that Mr. C. E. Boyd had dropped dead in his yard. When he arose yesterday morning he was in his usual health and bright and cheerful. After the fatal stroke he was carried to his house and medical aid summoned, but he never regained consciousness and died a few moments after.

Mr. Boyd was a son of Hugh K. Boyd, who was tax collector of the county from 1836 to 1840 and ordinary from 1841 to 1851.

Mr. Boyd was born in September 1841, and was therefore only 60 years of age last September.

When the war between the States came he volunteered as a member of Co. E, Third Regiment, and acted as 1st sergeant during the war. At the battle of Cedar Creek, October 19, 1861, he was shot through the lungs, but recovered and rejoined his company.

He was a patriotic and devoted member of the James D. Nance Camp Confederate Veterans and was its first adjutant. Everything pertaining to the history of the great struggle for southern independence or that looked to the preservation of that history or the proper tribute to the memory of the brave boys who gave up their lives for a cause they believed to be right had his most enthusiastic endorsement and support.

In 1890 he was elected treasurer of Newberry County, and without disparagement of any county official we can say truthfully that the county never had a more faithful or conscientious public official or one who was more generally loved and respected. In 1900 he voluntarily retired. If he had not he could have been re-elected without opposition.

Newberry County never had a better or more devoted son. It was our pleasure to have frequent and constant business relations with him and we always found him the same true and honest man, generous to a fault. The county and State can ill afford to lose such a man and in his death we feel the loss of a true and loyal friend.

In whatever was for the up-building of his county or State, in whatever was the advancement of the church, or for the betterment of his fellow-men, you never called on C. E. Boyd without getting a generous and a hearty response not only of his time but of his means, and oftentimes more than you could expect. He was true to his friends, generous to his enemies, if he had any, and always the upright, straightforward Christian gentleman. His church, his county and his State will miss him, no less than the members of his immediate family.

The funeral services will be conducted at his late residence this afternoon at 2 o'clock. Interment at Rosemont at 3 o'clock.

The following have been requested to act as pall bearers:

Honorary - Y. J. Pope, J. W. Gary, W. T. Tarrant, H. C. Mosley, J. C. Wilson, G. B. Cromer, M. A. Carlisle, Dr. Jas. McIntosh, A. Singleton, B. F. Griffin, Dr. R. C. Carlisle.

Active - Geo. S. Mower, E. C. Jones, J. W. M. Simmons, O. L. Schumpert, W. Y. Fair, Jno. M. Kinnard.

To Wed in Georgia.

Invitations have been received in Newberry to the marriage of Mr. Geo. B. Suber, of this county, to Miss Carrie Maud, daughter of Mr. Jno. L. Smith, of Iradan, Ga., on Wednesday, 6th inst., at the home of the young lady's father.

RESERVATION PARADISE.

Governor Relesse - Governor of New York's Department.

The curtain drawn on the pardon worthy case yesterday, the Governor signed his pardon to the Riser boys - A. F. and J. F. - who were sent to the penitentiary in March, 1898, from Newberry County to serve five years and one month each for house-breaking and robbery. These young men, members of an excellent family, had been mixed up with the systematic robbery of the depot at Plover. They have served four of the five years. It now appears that they were led astray by an older man who was acquitted at the time and has since died, a drunkard. The governor refused to grant the pardon about a year ago, Solicitor Sease refusing to recommend the executive clemency. Judge Benet at the time recommended the pardon on condition that the men leave the State.

The application was recently presented again, signed by hundreds of citizens, and accompanied by a strong recommendation from Solicitor Sease, who has since ascertained several facts about the case. The Rev. J. A. Sligh also earnestly advocated the granting of the pardon. Taking all things into consideration, the governor determined to pardon the young men. Before doing so he sent for them and Superintendent Griffith brought them to the office. They were given some good advice and both promised to lead better lives and make men of themselves. Capt. Griffith said yesterday that the young men had made model prisoners. - The State, 1-t.

Foley's Honey and Tar cures the cough caused by a tick of the larynx. It heals the lungs.

England used half a million Christmas trees last Christmas.

Mothers can safely give Foley's Honey and Tar to their children for coughs and colds, for it contains no opiates or other poisons.

The state of New York has furnished three postmaster generals.

Winter coughs are apt to result in consumption if neglected. They can be soon broken up by using Foley's Honey and Tar.

Five presidents of the United States have been of Scotch-Irish descent.

Foley's Honey and Tar is best for croup and whooping cough, contains no opiates, and cures quickly. Careful mothers keep it in the house.

Thomas A. Edison has taken out nearly 800 patents on his various inventions.

Kidney complaint kills more people than any other disease. This is due to the disease being so insidious that it gets a good hold on the system before it is recognized. Foley's Kidney Cure will prevent the development of fatal disease if taken in time.

Japan now possesses the heaviest and finest battleship afloat, the Mikasa, of 15,200 tons displacement.

A Night Alarm.

Worse than an alarm of fire at night is the brassy cough of croup, which sounds like the children's death knell and it means death unless something is done quickly. Foley's Honey and Tar never fails to give instant relief and quickly cures the worst forms of croup. Mrs. P. L. Cordier, of Manassas, Ky., writes: "My three year old child had a severe case of croup; the doctor said she could not live. I got a bottle of Foley's Honey and Tar, the first dose gave quick relief and saved her life." Refuse substitutes.

A Thousand Dollars Thrown Away.

Mr. W. W. Baker, of Plainview, Neb., writes: "My wife had lung trouble for over fifteen years. We tried a number of doctors and spent over a thousand dollars without any relief. She was very low and I was nearly driven to despair. A friend suggested trying Foley's Honey and Tar, which I did; and thanks be to this great remedy it saved her life. She is stronger and enjoys better health than she has ever known in ten years. I shall never be without Foley's Honey and Tar and would ask those afflicted to try it."
